

Additional Continuing Education Distance Learning Opportunities

Updated: 4/28/2020

Licensed Nursing Home Administrators:

- **LeadingAge Ohio Independent Studies:** https://www.leadingageohio.org/aws/LAO/pt/sp/independent_studies
- **NAB Directory of Approved Education:** <https://nab.learningbuilder.com/public/activitysearch>
You can search using a range of filters from live, live webinars, online/distance, state, provider name, topic, etc. Each approved program has contact information and, sometimes, a live link to access the provider's registration information.
- **The Ohio State University College of Medicine; Office of Geriatrics and Interprofessional Aging Studies:** <https://aginged.osu.edu/>
[Topics in Gerontology](https://aginged.osu.edu/) is an online distance education program that is appropriate for a wide audience of learners interested in continuing education and professional development in aging. Whether you are a seasoned gerontology professional or new to the field, you will find modules that are enlightening and helpful in your service to older adults. Currently there are 15 modules available that were developed by interprofessional faculty from the Ohio State University.
LeadingAge Ohio members receive free registration and 10% off all modules!
- **The Ohio State University College of Medicine; Office of Geriatrics and Interprofessional Aging Studies** <https://sunset.osu.edu/>
[The Series to Understand and Support End-of-Life Transitions \(SUNSET\)](https://sunset.osu.edu/) is an online distance education program that is appropriate for a wide audience of learners interested in continuing education and professional development in end-of-life care. With 11 modules currently available, gain greater knowledge in end-of-life care so that you may effectively use your skills as a provider of care in the long-term services and supports network while earning valuable continuing education credit.
